Master Scott Sonnon

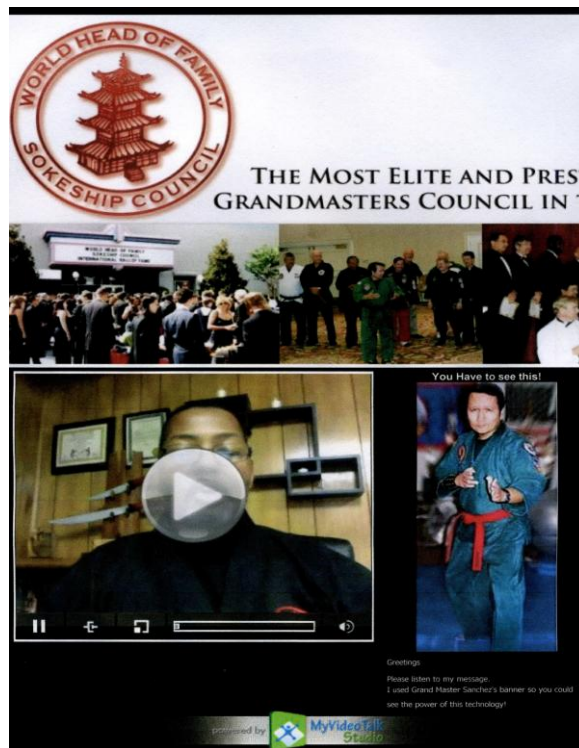

Stace Sanchez

MASTER SCOTT SONNON's kettlebell program is mentioned in BLACK BELT Magazine's link at <http://www.blackbeltmag.com/daily/martial-arts-fitness/kettlebell-exercises/kettlebell-program-video-by-scott-sonnon-pumps-up-your-mixed-martial-arts-workouts/>STACE SANCHEZ, the WHFSC's official photographer also received confirmation from TAEKWONDO TIMES Magazine that his picture will grace the cover of one of their 2013 magazines along with 9 Korean stylist masters and grandmasters.....

Master Samuel Scott

MASTER SAMUEL SCOTT of Florida has an ingenious tool for direct marketing which you may be able to take advantage of. It involves an audio clip with a link to your websites. For presentation purposes, he used the WHFSC below. This is a non-working facsimile of what he has to offer (in fairness to MASTER SCOTT I wasn't able to transfer the "active" model to this newsletter without losing some of the photo image as well as the working components of the picture/ message). In short, the way it works is that you would be able to record a visual of yourself delivering a message to the receiver or receivers (i.e. student, client) who would get the message by e-mail and then would be able to see & listen to your message as well as click on the pictures to go to your website(s). I am sure SAMUEL would be happy to demonstrate how this all works if you e-mail him at Samuele2@aol.com or you can see him demonstrate this "live" at our upcoming 20th Anniversary event!

And lastly in International news, we have the 20th Anniversary celebration of the WHFSC.....
